**Resolution Extending the Lifetime of the Campus Greening Initiative
Account for Funding Greening Initiative Projects**

- Whereas, \$37,015.09 remain available in the Campus Greening Initiative Account for funding campus greening projects;
- Whereas, The current deadline to submit a proposal eligible for funding from the Campus Greening Initiative Account is November 15, 2011, approximately one month from now;
- Whereas, The Campus Greening Revolving Fund Account, an account outlined in the document establishing the Campus Greening Initiative that would make the Initiative self-sustaining through collecting money from project paybacks, was never created;
- Whereas, There is still interest among the graduate student body in submitting proposals to the Campus Greening Initiative;
- Whereas, Several projects are anticipated to be submitted in the near future;
- Resolved, That Section III of the document establishing the Campus Greening Initiative, which states, "Proposals for projects shall be submitted to the Campus Greening committee no later than November 15th, 2011" be annulled until such a time in the near future when a Campus Greening Revolving Fund Account is created and all issues of receiving paybacks have been negotiated with UH Mānoa administration.
- Resolved, That the clause in Section IV of the document establishing the Campus Greening Initiative, which states " Unless further amendments are made, any unexpected or unencumbered balance of any appropriation of this act remaining in Campus Greening Initiative Account (account number to be determined) as of close of business on June 30th, 2012 shall be returned to the GSO General Account", be annulled until such a time in the near future when a Campus Greening Revolving Fund Account is created and all issues of receiving paybacks have been negotiated with UH Mānoa administration.
