Get a jump on the semester at the library! For the third year in a row, the library is celebrating **Open Access Week** at the end of this month. We've got some really fun events planned and are excited to get people involved! Could you help spread the word by adding us to the next newsletter? Or, if one will not be sent out before the week of October 24, is there another venue to get the word out to grad students? I'd really appreciate any help you can give!
